What's Not Covered

This plan does not cover all health care expenses and includes exclusions and limitations. Members should refer to their plan documents to determine which health care services are covered and to what extent. The following is a partial list of services and supplies that are generally not covered. However, your plan documents may contain exceptions to this list based on state mandates or the plan design or rider(s) purchased by your employer.

All medical or hospital services not specifically covered in, or which are limited or excluded in the plan documents; Charges related to any eye surgery mainly to correct refractive errors; Cosmetic surgery, including breast reduction; Custodial care; Dental care and X-rays; Donor egg retrieval; Experimental and investigational procedures; Hearing aids; Immunizations for travel or work; Infertility services, including, but not limited to, artificial insemination and advanced reproductive technologies such as IVF, ZIFT, GIFT, ICSI and other related services, unless specifically listed as covered in your plan documents; Nonmedically necessary services or supplies; Orthotics; Over-the-counter medications and supplies; Reversal of sterilization; Services for the treatment of sexual dysfunction or inadequacies, including therapy, supplies, or counseling; and special duty nursing. Weight control services including surgical procedures, medical treatments, weight control/loss programs, dietary regimens and supplements, appetite suppressants and other medications; food or food supplements, exercise programs, exercise or other equipment; and other services and supplies that are primarily intended to control weight or treat obesity, including Morbid Obesity, or for the purpose of weight reduction, regardless of the existence of comorbid conditions.

This material is for informational purposes only and is neither an offer of coverage nor medical advice. It contains only a partial, general description of plan benefits or programs and does not constitute a contract. This material does not provide health care services and, therefore, cannot guarantee results or outcomes. Consult the plan documents to determine governing contractual provisions, including procedures, exclusions and limitations relating to the plan.

They may also be subject to precertification or step-therapy. Non-prescription drugs and drugs in the Limitations and Exclusions section of the plan documents (received after open enrollment) are not covered, and medical exceptions are not available for them.

Virtual Urgent Care

Powered by MeMD, this popular telehealth option allows access to a medical provider by phone, app or webcam **at no additional cost**. This may be used for many of the issues provided by Urgent Care facilities.

- Available to every enrolled employee, spouse or domestic partner, and children up to the age of 26. Available 24/7/365.
- For minor health concerns, **don't wait in an emergency room or urgent care center** for diagnosis and treatment. MeMD's medical providers can evaluate common conditions that are typically treated at an urgent care facility, from the convenience of a home or office.
- MeMD's medical team includes MDs, DOs, NPs & PAs (US-licensed, board-certified medical providers) who average over 16 years of experience. They will give a **personalized treatment plan and send prescriptions right to the pharmacy**. (Please note, Prescriptions cannot be written for controlled substances or elective medications.)
