(c) “Gender identity” has the meaning stated in § 20-101 of the State Government Article.

(d)(1) “Wage” means all compensation for employment.

(2) “Wage” includes board, lodging, or other advantage provided to an employee for the convenience of the employer.

§3-302.

This subtitle applies to an employer of both men and women in a lawful enterprise.

§3-303.

In addition to any powers set forth elsewhere, the Commissioner may:

(1) use informal methods of conference, conciliation, and persuasion to eliminate pay practices that are unlawful under this subtitle; and

(2) supervise the payment of a wage owing to an employee under this subtitle.

§3-304.

(a) In this section, “providing less favorable employment opportunities” means:

(1) assigning or directing the employee into a less favorable career track, if career tracks are offered, or position;

(2) failing to provide information about promotions or advancement in the full range of career tracks offered by the employer; or

(3) limiting or depriving an employee of employment opportunities that would otherwise be available to the employee but for the employee’s sex or gender identity.

(b)(1) An employer may not discriminate between employees in any occupation by:

(i) paying a wage to employees of one sex or gender identity at a rate less than the rate paid to employees of another sex or gender identity if both employees work in the same establishment and perform work of comparable character or work on the same operation, in the same business, or of the same type; or

(ii) providing less favorable employment opportunities based on sex or gender identity.

(2) For purposes of paragraph (1)(i) of this subsection, an employee shall be deemed to work at the same establishment as another employee if the employees work for the same employer at workplaces located in the same county of the State.

(c) Except as provided in subsection (d) of this section, subsection (b) of this section does not prohibit a variation in a wage that is based on:

(1) a seniority system that does not discriminate on the basis of sex or gender identity;

(2) a merit increase system that does not discriminate on the basis of sex or gender identity;

(3) jobs that require different abilities or skills;

(4) jobs that require the regular performance of different duties or services;

(5) work that is performed on different shifts or at different times of day;

(6) a system that measures performance based on a quality or quantity of production; or

(i) is not based on or derived from a gender-based differential in compensation;

(ii) is job related with respect to the position and consistent with a business necessity; and

(iii) accounts for the entire differential.

(d) This section does not preclude an employee from demonstrating that an employer’s reliance on an exception listed in subsection (c) of this section is a pretext for discrimination on the basis of sex or gender identity.

(e) An employer who is paying a wage in violation of this subtitle may not reduce another wage to comply with this subtitle.

§3-304.1.

(a) An employer may not:

(1) prohibit an employee from:

(i) inquiring about, discussing, or disclosing the wages of the employee or another employee; or

(3) Subject to subsection (d) of this section, limitations established under paragraph (1) of this subsection may include prohibiting an employee from discussing or disclosing the wages of another employee without that employee's prior permission.

(c) Except as provided in subsection (d) of this section, the failure of an employee to adhere to a reasonable limitation included in a written policy under subsection (b) of this section shall be an affirmative defense to a claim made against an employer by the employee under this section if the adverse employment action taken by the employer was for a failure to adhere to the reasonable limitation and not for an inquiry, a discussion, or a disclosure of wages in accordance with the limitation.

(d) (1) A prohibition established in accordance with subsection (b)(3) of this section against the discussion or disclosure of the wages of another employee without that employee's prior permission may not apply to instances in which an employee who has access to the wage information of other employees as a part of the employee's essential job functions if the discussion or disclosure is in response to a complaint or charge or in furtherance of an investigation, a proceeding, a hearing, or an action under this subtitle, including an investigation conducted by the employer.

(2) If an employee who has access to wage information as part of the essential functions of the employee's job discloses the employee's own wages or wage information about another employee obtained outside the performance of the essential functions of the employee's job, the employee shall be entitled to all the protections afforded under this subtitle.

(II) Seek to confirm the wage history voluntarily provided by the applicant for employment to support a wage offer higher than the initial wage offered by the employer.

(3) An employer may rely on wage history under paragraph (2) of this subsection only if the higher wage does not create an unlawful pay differential based on protected characteristics under §3-304 of this subtitle.

safety and health protection on the job

MARYLAND OCCUPATIONAL SAFETY and HEALTH ACT

PRIVATE SECTOR

The Maryland Occupational Safety and Health Act of 1973 provides job safety and health protection for workers through the promotion of safe and healthful working conditions throughout the State. Requirements of the Act include the following:

Employers:

Each employer shall furnish to each of his or her employees employment and a place of employment free from recognized hazards that are causing or are likely to cause death or serious harm to employees; and shall comply with occupational safety and health standards issued under the Act.

Employees:

Each employee shall comply with all occupational safety and health standards, rules, regulations and orders issued under the Act that apply to his or her own actions and conduct on the job.

The Commissioner of Labor and Industry has the primary responsibility for administering the Act and issuing occupational safety and health standards. MOSH Safety and Health Inspectors conduct jobsite inspections to ensure compliance with the Act.

Inspection:

The Act requires that a representative authorized by the employees be given an opportunity to accompany the MOSH Inspector for the purpose of aiding the inspection.

Where there is no authorized employee representative, the MOSH Inspector shall consult with a reasonable number of employees concerning safety and health conditions in the workplace.

Complaint:

Employees or their representatives have the right to file a complaint with the Commissioner requesting an inspection if they believe unsafe or unhealthful conditions exist in their workplace. The Commissioner will withhold names of employees complaining on request.

The Act provides that employees may not be discharged or discriminated against in any way for filing safety and health complaints or otherwise exercising their rights under the Act.

An employee who believes he or she has been discriminated against may file a complaint with the Commissioner and/or the Federal Occupational Safety and Health Administration Regional Office within 30 days of the alleged discrimination.

Citation:

If upon an inspection the Commissioner believes an employer has violated the Act, a citation alleging such violations shall be issued to the employer. Each citation shall specify a time period within which the alleged violation must be corrected.

The MOSH citation must be prominently displayed at or near the place of alleged violation for three days, or until it is corrected, whichever is later, to warn employees of dangers that may exist there.

Proposed Penalty:

The Act provides for mandatory civil penalties against employers of up to \$7,000 for each serious violation and for optional penalties of up to \$7,000 for each nonserious violation. Civil penalties of up to \$7,000 per day may be proposed for failure to correct violations within the proposed time period. Also, any employer who willfully or repeatedly violates the Act may be assessed civil penalties of up to \$70,000 for each such violation.

Criminal penalties are also provided for in the Act. Any willful violation resulting in death of an employee, upon conviction, is punishable by a fine of not more than \$10,000 or by imprisonment for not more than six months, or by both. Conviction of an employer after a first conviction doubles these maximum penalties.

Voluntary Activity:

While providing penalties for violation, the Act also encourages efforts by labor and management to reduce injuries and illnesses arising out of employment. The Commissioner of Labor and Industry encourages employers and employees to reduce workplace hazards voluntarily and to develop and improve safety and health programs in all workplaces and industries.

Such cooperative action would initially focus on the identification and elimination of hazards that could cause death, injury, or illness to employees and supervisors. There are many public and private organizations that can provide information and assistance in this effort, if requested.

Disability discrimination includes not making reasonable accommodation to the known physical or mental limitations of an otherwise qualified individual with a disability who is an applicant or employee, barring undue hardship to the employer. Section 503 also requires that Federal contractors take affirmative action to employ and advance in employment qualified individuals with disabilities at all levels of employment, including the executive level.
